Slow Rubato (pp)

Good - bye

is such a lonely word in the night

*Chorus, leader*

Goodbye Love

We'll end it now, before the early dawn turns to

Goodbye Love

light

Once we had our dream it seemed so

Goodbye Love

real. We've put a side - the way we feel

Goodbye Love

And now, when morning breaks the day we'll be a -

Goodbye Love

-part the meanings clear. I'll end it

Goodbye Love

now, I'll have to say good-bye... to you
